

SMS Text message consent form

Leylands Medical Centre would like to offer you the ability to receive text message reminders for your appointments booked at the surgery. In the near future, we are also planning to send other health information out by SMS such as letting you know that your results are back, or that we need to get in touch with you. We might also occasionally send information about special clinics we are running that you might be interested in.

The SMS service should not be solely relied upon, as the responsibility of attending and cancelling appointments still rests with you, but we hope this will make things easier.

Messages are generated by an NHS secure service, however they are transmitted over a public network to a personal phone. **The practice will never transmit any information that would enable an individual patient to be identified, or specifically which tests they have had.**

Please tick the box below

*I **CONSENT** to the practice contacting me by text message for the purpose of health information and appointment reminders. I will ensure that I **keep the practice informed of my up to date mobile number at all times, or if the number is no longer in my possession***

Patient name:	
Date of birth:	
Mobile number:	
Signature:	
Today's date:	

We will NOT send out any texts unless you have explicitly consented
